design
Antonio De Marco

Una poltrona che nasce da una sola regola: quella della semplicità, che serve a far dialogare con naturalezza gli opposti, come la scocca dalle linee decise, sapientemente imbottita, che regala il massimo comfort e i materiali diversi che la compongono, esaltandone le forme.

This armchair lives by one rule: simplicity. It reconciles opposites with natural flair, like the frame with its crisp lines and padding for maximum comfort and the different materials used in its construction, enhancing the shapes.
