# Twils®

## **Your project, the next Twils Inspiration**

Have you realized an architectural or interior design project placing one or more Twils products?

Get in touch with us, share info and the best photos of your project. Twils will highlight your ideas and professionalism, promoting your design by institutional web channels and social platforms.

Twils will then select the best projects, in order to further enhance them as official Case Studies of the Inspiration section, into the company website.

Please send us the following materials about your project:

- general information: project name, designer name, retailer name, place and date;
- text narrating the project and its concept (minimum 600 characters, maximum 1000 characters);
- list of chosen Twils products and their finishes;
- collection of images (minimum 5 photos, format .jpg or .tiff, resolution 300dpi);
- photo credit \ photographer name of the shots;
- brief biography of the designer;
- names and contacts \ social media profiles of the professional involved.
